

Panelist's Contract and Guidelines

Panelist Requirements

The Main Panelist host must be 16 or older, co-hosts no younger than 15. For 18+ Panels both hosts must be 18 years of age.

Panelists must check in and pick up their panel badge the morning of Ganbatte in the hours between 9am and 1pm.

Depending on circumstances, failure to check in or show up for your panel will result in cancellation of the panel and banning of hosting future panels. Please give as much notice as possible if you are not able to host your panel and just in case have a co-host as a back-up plan who can host the panel without you if needed.

All Panelists must fill out every section of the application and submit it no later than June 1st. We will then respond in a timely manner and keep you updated by email.

Panelist Conduct

Panelists will be expected to behave in an appropriate manner. Behavior deemed inappropriate for panels where minors (those under 18 years of age) may attend can result in the termination of a panel in progress and/or the cancellation of a panel group's future scheduled panel(s). Clean-up after each panel is expected. Please be considerate to the next panelist that will be setting up after your panel.

Panelists will abide by Ganbatte Convention Inc's General Policies. Failure to do so may be reasonable cause for cancellation of the panel and/or ejection from Ganbatte Convention Inc.

Disclaimer
